There is no one else like the Doo-Wah-Riders. For over 20 years they have been riding their own patch of the musical range throughout the west. They possess the rare combination of many years of experience and youthful energy, fired by a love for what they do. The Doo-Wahs are country, with a unique, original sound. They define their style as "high energy country with a Cajun twist." Their tight musicianship and powerful arrangements of classic, contemporary and original songs have made them favorites everywhere they go.

The Doo-Wahs have appeared in concert with Garth Brooks, George Strait, Alabama, Faith Hill, Tim McGraw, Willie Nelson and Dolly Parton, to name a few.

In addition to being artists in their own right the Doo-Wah-Riders have served as a back-up band for Collin Raye, Pam Tillis, Glen Campbell, Deanna Carter and Bryan White.

Featured entertainment is also one of their honors, performing at The Grammys, The academy of Country Awards (1985-2001), Disneyland, California, Walt Disney World, Florida, Michael Martin Murphy's West Fest, Knott's Berry Farm and Magic Mountain.

If you want an evening of fun, high energy and great instrumental music, The Doo-Wah-Riders will bring you into town.
